

# The Family Center

Dear Community Supporter:

On July 29, The Family Center is planning to hold the **third annual Touch a Truck** fundraising event at the Grand Rapids Lions Club. This event is a safe, fun and exciting day of viewing and interacting with cool vehicles, great games for kids, delicious foods and much to do for all ages. Sponsorships, raffle and food proceeds allow us to make this a free event for the public and raise money to support services into our community.

The Family Center has served victims of domestic violence and sexual assault in our community for nearly 40 years. We continue to provide a range of culturally-competent, comprehensive services, with an emphasis on self-determination. We seek to prevent the abuse by addressing its root causes through education and community involvement.

We know our efforts will go even further partnering with you as an official corporate sponsor. Last year, nearly 1,000 community members that live and work in the area attended our event. These attendees would not only have the opportunity to learn more about your business, but also to see your commitment to our community. With your business by our side, we're sure to achieve this year's fundraising goal.

In order to feature your business' logo in promotional materials, we need your sponsorship commitment by **May 1**. Please contact Amy at [resources@familyctr.org](mailto:resources@familyctr.org) or 715-421-1559 today!

Thank you,

Sue Sippel  
Executive Director

# TOUCH A TRUCK

## SPONSORSHIP OPPORTUNITIES

**I want to be a sponsor and help construct violence-free futures!**

<b>FIVE ALARM SPONSOR (2 Only!)</b> <b>Big Rig</b> benefits <b>PLUS</b> — your logo on this year's keepsake souvenir construction hat provided FREE to all children who attend! Imagine being one of only two businesses with their logo on the hats given to all the excited kids at <b>Touch a Truck!</b> <b>ONLY TWO spots available — ACT NOW!</b>	\$3,000  <b>\$2,500 for returning sponsors</b>
